JUST PUBLISHED:

CHARLES KNIGHT'S Popular History of England.

THE ONLY COMPLETE STANDARD HISTORY OF ENGLAND.

Eight volumes, 12mo, Cloth extra, black and gold, . . . \$10.00
 " " " Cloth extra, gilt top, laid paper, . . . 12.00

Each set put up in a neat paper box.

This edition has been prepared at large expense expressly to meet the demand for a really good and cheap edition of this standard work. The type is new, clear and readable, the paper of a good quality, the size the now popular 12mo, and the binding neat and durable. The price has been made very low to ensure a large sale, and will commend the work to all those desirous of possessing the best History of England extant.

Attention is directed to the following opinions of the work, particularly to that of President Porter, of Yale College.

"The best History of England for the general reader is Knight's *Popular History*. For a single history which may serve for constant use and reference in the library, or for frequent reading, it is to be preferred to every other."—*Noah Porter*, D.D., LL.D.

"We very cordially recommend these volumes to the readers whom they seek. We know of no History of England so free from prejudice; so thoroughly honest and impartial; so stored with facts and fancies; and therefore none so well adapted for school or college as this."—*London Athenaeum*.

"Its literary merits are of a very high order; indeed, nothing has ever appeared superior, if anything has been published equal, to the account of

the state of commerce, government, and society at different periods."—*Lord Brougham*.

"Mr. Knight's book well deserves its name; it will be emphatically popular, and it will gain its popularity by genuine merit. It is as good a book of the kind as ever was written."—*Westminster Review*.

"The best history extant, not only for, but also of the people."—*All the Year Round*.

"A standard book on the shelves of all libraries."—*London Spectator*.

"The last and greatest literary work of his life. This history will remain, for many a long day, a standard work."—*London Times*.

"This work is the very best History of England that we possess."—*London Standard*.

JUST PUBLISHED:

CHARLES KNIGHT'S Popular History of England.

THE ONLY COMPLETE STANDARD HISTORY OF ENGLAND.

Eight volumes, 12mo, Cloth extra, black and gold, . . . \$10.00
 " " " Cloth extra, gilt top, laid paper, . . . 12.00

Each set put up in a neat paper box.

This edition has been prepared at large expense expressly to meet the demand for a really good and cheap edition of this standard work. The type is new, clear and readable, the paper of a good quality, the size the now popular 12mo, and the binding neat and durable. The price has been made very low to ensure a large sale, and will commend the work to all those desirous of possessing the best History of England extant.

Attention is directed to the following opinions of the work, particularly to that of President Porter, of Yale College.

"The best History of England for the general reader is Knight's *Popular History*. For a single history which may serve for constant use and reference in the library, or for frequent reading, it is to be preferred to every other."—*Noah Porter, D.D., LL.D.*

"We very cordially recommend these volumes to the readers whom they seek. We know of no History of England so free from prejudice; so thoroughly honest and impartial; so stored with facts and fancies; and therefore none so well adapted for school or college as this."—*London Athenaeum.*

"Its literary merits are of a very high order; indeed, nothing has ever appeared superior, if anything has been published equal, to the account of

the state of commerce, government, and society at different periods."—*Lord Brougham.*

"Mr. Knight's book well deserves its name; it will be emphatically popular, and it will gain its popularity by genuine merit. It is as good a book of the kind as ever was written."—*Westminster Review.*

"The best history extant, not only for, but also of the people."—*All the Year Round.*

"A standard book on the shelves of all libraries."—*London Spectator.*

"The last and greatest literary work of his life. This history will remain, for many a long day, a standard work."—*London Times.*

"This work is the very best History of England that we possess."—*London Standard.*

JUST PUBLISHED:

CHARLES KNIGHT'S

Popular History of England.

THE ONLY COMPLETE STANDARD HISTORY OF ENGLAND.

Eight volumes, 12mo; Cloth extra, black and gold, . . . \$10.00
 " " " Cloth extra, gilt top, laid paper, . . . 12.00

Each set put up in a neat paper box.

This edition has been prepared at large expense expressly to meet the demand for really good and cheap edition of this standard work. The type is new, clear and readable, the paper of a good quality, the size the now popular 12mo, and the binding neat and durable. The price has been made very low to ensure a large sale, and will commend the work to all those desirous of possessing the best History of England.

Attention is directed to the following opinions of the work, particularly to that of President Porter, of Yale College.

"The best History of England for the general reader is Knight's *Popular History*. For a single history which may serve for constant use and reference in the library, or for frequent reading, it is to be preferred to every other."—*Noah Porter*, LL.D.

"We very cordially recommend these volumes to the readers whom they seek. We know of no History of England so free from prejudice; so thoroughly honest and impartial; so stored with facts and fancies; and therefore none so well adapted for school or college as this."—*London Athenaeum*.

"Its literary merits are of a very high order; indeed, nothing has ever appeared superior, if any thing has been published equal, to the account of

the state of commerce, government, and society at different periods."—*Lord Brougham*.

"Mr. Knight's book well deserves its name; it will be emphatically popular, and it will gain its popularity by genuine merit. It is as good a book of the kind as ever was written."—*Westminster Review*.

"The best history extant, not only for, but also of the people."—*All the Year Round*.

"A standard book on the shelves of all libraries."—*London Spectator*.

"The last and greatest literary work of his life. This history will remain, for many a long day, a standard work."—*London Times*.

"This work is the very best History of England that we possess."—*London Standard*.

IT is well-known that there is no city—of the extent of Montreal,—wherein such a quantity of inferior work is done under the designation of Wood Engraving. Numerous persons of late years, without possessing the artistic knowledge to warrant it, style themselves Designers, and profess to do all kinds of Engraving in the highest style of the art. To that portion of the public who can understand what constitutes a good Wood Cut, and who are really desirous of obtaining it, I would respectfully intimate that my long experience as a Draughtsman and Wood Engraver, will enable me to give satisfaction, and my charges do not exceed that of others.—J. H. WALKER.

JUST PUBLISHED:

CHARLES KNIGHT'S Popular History of England.

THE ONLY COMPLETE STANDARD HISTORY OF ENGLAND.

Eight volumes, 12mo, Cloth extra, black and gold, . . . \$10.00
 " " " Cloth extra, gilt top, laid paper, . . . 12.00

Each set put up in a neat paper box.

This edition has been prepared at large expense expressly to meet the demand for a really good and cheap edition of this standard work. The type is new, clear and readable, the paper of a good quality, the size the now popular 12mo, and the binding neat and durable. The price has been made very low to ensure a large sale, and will commend the work to all those desirous of possessing the best History of England extant.

Attention is directed to the following opinions of the work, particularly to that of President Porter, of Yale College.

"The best History of England for the general reader is Knight's *Popular History*. For a single history which may serve for constant use and reference in the library, or for frequent reading, it is to be preferred to every other."—*Noah Porter*, D.D., LL.D.

"We very cordially recommend these volumes to the readers whom they seek. We know of no History of England so free from prejudice; so thoroughly honest and impartial; so stored with facts and fancies; and therefore none so well adapted for school or college as this."—*London Athenaeum*.

"Its literary merits are of a very high order; indeed, nothing has ever appeared superior, if anything has been published equal, to the account of

the state of commerce, government, and society at different periods."—*Lord Brougham*.

"Mr. Knight's book well deserves its name. It will be emphatically popular, and it will gain its popularity by genuine merit. It is as good a book of the kind as ever was written."—*Westminster Review*.

"The best history extant, not only for, but also of the people."—*All the Year Round*.

"A standard book on the shelves of all libraries."—*London Spectator*.

"The last and greatest literary work of his life. This history will remain, for many a long day, a standard work."—*London Times*.

"This work is the very best History of England that we possess."—*London Standard*.

HOCHELAGA.

(Incorporated in 1862.)

A beautiful village on the outskirts of Montreal, county of Hochelaga. It is the county seat, and is remarkable as being the natural harbor of Montreal. It has the largest convent in the province, a beautiful Catholic church, a Carmelite convent. It is the terminus of the Montreal City Passenger railway, and possesses several factories, saw and planing mills, and an extensive cotton mill, employing about 400 hands. The village is supplied with water from the Montreal Water works, and a thorough system of drainage is now completed. A Commissioners court has been established for the Parish. There is a station of the Montreal, Ottawa and Occidental Railroad here. It also contains the residences of a number of merchants and others doing business in Montreal. Lépine's race course forms one of the attractions. Mail three times a day. Population about 3,000.

LACHINE.

(Incorporated in 1872.)

A town on the River St Lawrence and Island of Montreal, parish of St Michel, seigniory of Montreal Island, county of Jacques Cartier, district of Montreal. It is the summer residence of many Montrealers, and has become famous by its annual regattas. In the winter months it is greatly frequented by pleasure parties, and at all times of the year a drive from Montreal to Lachine by the Upper, and in by the Lower road, is considered a rich treat to the stranger, and even to the citizen of Montreal. Lachine possesses a large brewery, and an extensive sawmill; has a good local business and extensive lumber trade. The Montreal, Lachine and Province Line railway here connects with a steam ferry, at all seasons of the

year, for Caughnawaga, an Indian village immediately opposite, and thence by the continuation of the same road to New York. A ship canal connects the navigable waters at Montreal with Lake St Louis at Lachine. Montreal Telegraph Co. and Dominion Telegraph Co. have offices here. Distant from Montreal 9 miles, fare 40c., 25c., and 12½c. Mail twice a-day. Population about 3,000.

LAPRAIRIE.

An extensive municipal village and parish on the south shore of the River St. Lawrence, between the Lachine rapids and Victoria bridge, district of Montreal, seignior and county of the same name. Incorporated March 30, 1846. The parish was erected in

the year 1722. A market is open every day. The first railway in British North America was constructed from here to St. Johns in 1836. It was first worked with horses, afterwards by steam, but was discontinued, and the rails taken up a number of years ago. A steamboat maintains regular communication between Montreal and Laprairie. A branch of the Grand Trunk Railway, starting at St. Isidore, in this County, to reach the Victoria Bridge, to pass through this Village, will be laid this summer. The line is now under survey, and no doubt is entertained of its early completion. It will greatly enhance the interests of this locality. Montreal Telegraph Co. has an office here. Distant from Montreal 9 miles, fare 15 cts.; from St. Johns 18 miles. Mail daily. Population about 2000.

TOWN OF ST. CUNEGONDE.

(Incorporated in 1876.)

A town adjoining the City limits of Montreal, in the seigniory of Montreal, county of Hochelaga, district of Montreal. This municipality is governed by a Mayor and Corporation. The Corporation purchased the old St. Jude's church, which they have converted into a handsome town hall, with commodious offices for the secretary, water works, court room, fire station, and a large hall for public meetings, as well as a private residence for the Chief of Police. The town contains two churches, one Roman Catholic and one Protestant; three schools, two Catholic and one Protestant. It also possesses some extensive industries, the most important of which are the Montreal Rolling mills, the Mona Saw mills, the Stafford Pottery works, Davidson's Stamping works, Gilbert's foundry, Luttrell Bros.' Cracker factory, Findlay's foundry, Clark's Sausage and Preserved Meat factory, and Henault's Ice house. There is telegraph communication between the Municipal Office and the Water Works. TOWN OF ST. HENRY.

(Incorporated in 1876.)

An incorporated town, adjoining the City limits
 of Montreal, and formed by the amalgama-

tion of the former village of Tannery West.
 The Town of St. Henry is situated in the
 seigniory of Montreal, county of Hochelaga,
 and district of Montreal. The Lachine canal
 passes on the south side, and signal stations
 of the Grand Trunk Railway are situated here
 at the junctions where the roads branch off
 east and west, and to Montreal and Lachine.
 The Grand Trunk Railway Co., with the
 aid of the Council of the Town, has erected
 a splendid station, at the curve, near the
 St. Joseph street bridge. The municipality
 of St. Henry is governed by a Mayor and
 Corporation, and a separate permanent
 Fire and Police force is maintained. The
 town contains a new Roman Catholic col-
 lege and convent, church and presbytery,
 and several important industries, amongst
 others an extensive tannery, boot and shoe
 factories, brick yards, the C. W. Williams
 Manufacturing Co., employing 600 hands,
 &c., &c. Building is being prosecuted
 briskly, and the town bids fair to rise into
 some importance, having Fire and Police
 system of alarm telegraph. The town is
 now lighted by oil lamps. Distance from
 Bonaventure depot, 2½ miles; from Lachine,
 6 miles. Population about 8,000.

The course of studies, in which religious instruction holds the first rank, is divided into two sections—the classical and the commercial.

The classical course, principally taught in French, is designed to impart a thorough knowledge of the Greek, Latin, French and English languages and literature, pure and mixed mathematics, history and geography, philosophy and natural sciences, and whatever is necessary as a preparation for a professional career.

It comprises eight classes—Latin Elements, Syntax, Method, Versification, Belle-lettres, Rhetoric, 1st and 2nd year of Philosophy.

The commercial course, principally taught in English, embraces the English and French languages and literature, mathematics and the other branches named above, moreover book-keeping, and whatever else may fit a young man for commercial and industrial pursuits.

There are, moreover, elementary and preparatory classes for younger students.

The system of education is paternal. The teachers endeavor to unite kindness with firmness, and make use of the means of persuasion in preference to those of severity.

To be admitted into the college, applicants must present a certificate of good character.

Monthly reports of behavior, application and progress are sent to parents or guardians.

None but relatives, or those who represent them, are allowed to visit the boarders.

Half-boarders and day scholars must not absent themselves without previous leave from the College authorities.

The collegiate year is of ten months, beginning in the first week of September, and ending in the first week of July.

Terms per year.—Board and tuition, \$150.00; washing, \$20.00; bed and bedding, \$10.00; music lessons, \$25.00; use of the piano, \$5.00; drawing lessons, \$20.00. Half boarders, \$80; day scholars, \$30.00. Fees, entry, \$5.00.

Payments, which are required in gold or its equivalent, and strictly in advance, are made in two instalments, 1st in the beginning of September, 2nd on the 1st of February.

The college will not take charge of providing a student with clothing or other necessities unless a sufficient sum be deposited in the hands of the treasurer.

No reduction in the above mentioned terms will be granted for absence of less than one month.

Donations or bequests may be made either through the treasurer, secretary, or through the bankers of the Institution, the City and District Savings Bank.

The total number of patients attended during the past year was 7,812, of these, 1,216 were treated in the eye and ear department.

Males, 3,124; females, 4,688; children under seven years, 1,014. Roman Catholics, 6,053, of these, 2,028 spoke the French language; Protestants, 1,759. Average daily attendance, 25.

All who desire to obtain a better personal knowledge of the necessity for such institutions, their practical benefit to the sick poor, and their claims on the liberality of our citizens, are invited to visit the Dispensary about one o'clock on any day (except Sunday) and judge for themselves.

This institution furnishes medical and surgical aid and medicines to the sick poor of every nationality and religion in Montreal.

The attending physicians visit at their own homes those who are unable to come to the Dispensary and too poor to pay.

In restoring to health, it restores to many their only means of support, and thus prevents poverty, pauperism and crime.

The managing committee and the physicians all attend it without any charge or remuneration whatever.

It is dependent, chiefly, upon voluntary contributions for its support.
